Thank you for enrolling your above-named patient in the QuitWorks Program. Your patient completed a screener call and:

- Was sent a free quit smoking guide in the mail.**

We also encouraged your patient to call us back for additional assistance.

- Enrolled in our free multi-session QuitWorks telephone based tobacco treatment counseling program.**

Up to five counseling sessions will be offered to your patient.

- Declined free QuitWorks telephone based tobacco treatment counseling services.**

You may re-refer your patient at a later date. He/she is always free to call us back after deciding to accept services.

- Was sent free multi-week nicotine replacement therapy (NRT) and a quit smoking guide in the mail.**

Your patient passed the medical screening eligibility criteria and was offered nicotine patches to assist in his/her quit smoking attempt.

We encourage you to discuss your patient's progress and to offer praise and encouragement. If indicated, please offer on-going advice on pharmacotherapy and re-refer to QuitWorks if relapse occurs. We will send a follow-up evaluation report; if we reach your patient again in 7 months to inquire about his/her quit status.

Thank you for engaging in the brief intervention that led to your patient taking this important step toward better health.

Sincerely,

The QuitWorks Program
